

# More Fun Company

## Equipment list for over night trips.

**On the river gear:** White water paddlers you know what you need. Those on sit on kayaks or in the rafts you will need the list below....

- ? Wet suit or similar
- ? Paddle jacket or nylon parker, (wind breaker)
- ? Shoes or sandals that you can wear on the river.
- ? Helmet if you're paddling a white water kayak.
- ? Poly pro clothing.

**Off the river gear:** Clothes that you can put on to get warm and fast  
Wet weather gear should turn a little uncomfortable.  
Personal stuff but not too much.  
Torch(s)  
Sleeping bag and bedroll  
BYO special drinks. (2 evenings worth).  
Fishing gear if you do that sort of thing. (We have 2 spinning Rods).  
Good foot wear, as we may go for a walk on the first day.

**Request:** If you can bring your own plates, bowls and cutlery this would help our organising heaps. And if you have your own small tent, please bring it.

We can put the 4 ladz in one tent and the rest into the others.

If you need us to get any thing from above let us know over the next couple of days and I will organise them for you.

Your personal gear and cloths should fit comfortably into a pillowslip, leaving your sleeping bag and bed roll in another. Much more than this and we will need a ship to carry all the gear.

We are organising the cooking facilities, food, big tarp to cook, eat and socialise under, if the weather should turn a little uncomfortable.

I have got a raft to carry all or most of the gear plus a few paddlers, and locating a couple of sit-on kayaks from Opotiki. This will give everyone a go, either in a white water or sit-on kayak, or you can just enjoy staying dry on the raft. Keeping an eye on the port!! Yea right

There will be plenty of time at the campsites to get out for a paddle also.

**The Motu team:**

Bruce, Cindy and Jaxon. 3 white water kayaks (We're happy to guide raft some times)

Amanda Lowe. 1 white water kayak

Meridee, Guy, Tyler and Jaden. 2 sit-on kayaks. (Turns on raft and sit-on kayak)

Trevor, Ann and Nick.

Need to hire with WW kayak and sit –on

Bruce, Cindy and Jaxon will be in Opotiki from Thursday arvo, yet to confirm where we are staying there but will let you know in due course. From here we will organise a place to leave our cars to get an expedient escape back home.

Please either call us or email re anything you may need us to get e.g. Tents, Bed rolls, wetsuits, buoyancy vests etc.
